Michael T. Hughes,
Plaintiff,

vs

Khan,

Defendants,

Case No. 18C 6138

Honorable Virginia Kendall
Magistrate Jeffrey Cummings**FILED**

JUN 28 2019

THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Rule 26 Disclosures

Rule 26(a)(1) Initial Disclosure

I, Michael T. Hughes, moves the defense in respect to the representative Miguel E. Larios; to explore the opportunity to conduct an Initial Disclosure under Rule 26(a)(1). The Initial Disclosure must possess the relevant: witnesses, Documents, Computations of Damages, and Insurance agreements.

Rule 26(f) Discovery Planning Meeting

If possible I will like to attempt to communicate with the defense and establish a focused strategic discovery plan. If able I will like to meet face to face with defense or have a line where I can call for free from ECDocs both creating a channel of dialogue and expediting legal processes.

I truly believe in the judiciary process as well as the efficiency in casual correspondence with representatives of opposing parties. This is potentially an alleviating ~~proposal~~ proposal in comparison to more deliberate discovery methods.

Status Hearing Request

I will like to also move this court to file an appearance of both the defense and I to assess the fluency of the process and offer guidance and assistance were needed. I greatly respect and holds the Honorable insight to a high standard and believe if there is any conclusory issues that the bench will be the most appropriate forum to resolve them.

I declare under penalty of Perjury that the foregoing is true & correct.
